**Cost: Signage**

**Scope: TBD**

# Tree Labeling Project

Label trees with species information.

Create a map with information on each tree in the downtown area.

Project is already a priority of the DPW Natural Resources Division.

We are scheduling a meeting with Deputy Superintendent to coordinate effort.

## Partners

David Flaherty &  
Boy Scout Troop

Holly Robbins

Stanley Park-  
Donna Herman

# Scavenger Hunt & Geocaching

- Scavenger Hunt & Geocaching are separate but related.
- Working together to familiarize Westfield's citizens with its natural resources and history.
- Geocaching employs modern technology to search out special locations and adventures.

Scavenger Hunt  
-A citywide hunt in  
Spring 2019

## Partners

Local  
photographers

Citizen  
photographers

Printing business  
TBD

# Family Picture Project

Crowdsourcing an image of Westfield's families

Encourage families to submit a single photo of their family for inclusion in a soft-bound photo book.

Investigating opportunities to set-up five-minute photo shoots for interested families with local photographers for inclusion.

Idea still in development
